1. Unleashing the Movement: Description and Background

Inspired by Keith Gill's Spirit, \$ROAR is More Than a Meme Coin – It's a Global CTO Movement

GameStop Inspiration

Keith Gill's iconic GameStop trade **turned \$50K into \$40M USD**, proving the power of bold moves and grassroots action. His story sparked a movement that challenged traditional financial systems and inspired millions worldwide.

2021

\$ROAR Launch on Ethereum

Born from the same spirit, ROAR was launched as a community-first project with **burned liquidity** and a **renounced contract**, ensuring security and decentralization from the start. It embodied the limitless potential of **decentralized finance (DeFi) and financial freedom**.

2022

Community Takeover (CTO)

After a period of dormancy, the community reignited \$ROAR, turning it into a **Global Community Takeover (gCTO)** project. Every member contributes to its **growth, innovation, and success**, proving the strength of collective ownership and shared goals. Today, \$ROAR thrives as a vibrant DeFi ecosystem, driven entirely by its **passionate holders**.

2024

2025+ Billions Must \$ROAR

2. Fueling Growth: Tokenomics and Community

Building Value Through Community and Innovation

Max Total Supply

1 Billion Token with only 23M token available for purchase (as of January 1st 2025)

Burned Liquidity

The initial liquidity was permanently burned, ensuring stability and trust.

Renounced Contract

\$ROAR's contract was renounced, making it truly decentralized and community-led.

Current Holders

1,2K as of January 1st, 2025

Tokenomics

Decentralized Ownership

No CEOs, no central authority. Every member is a decision-maker

Collaborative Spirit

Members contribute through marketing, development, and social engagement.

Work for Your Bag

The motto that drives community efforts, where every holder takes responsibility for \$ROAR's success.

Animated with \$SHIBA Inu Spirit

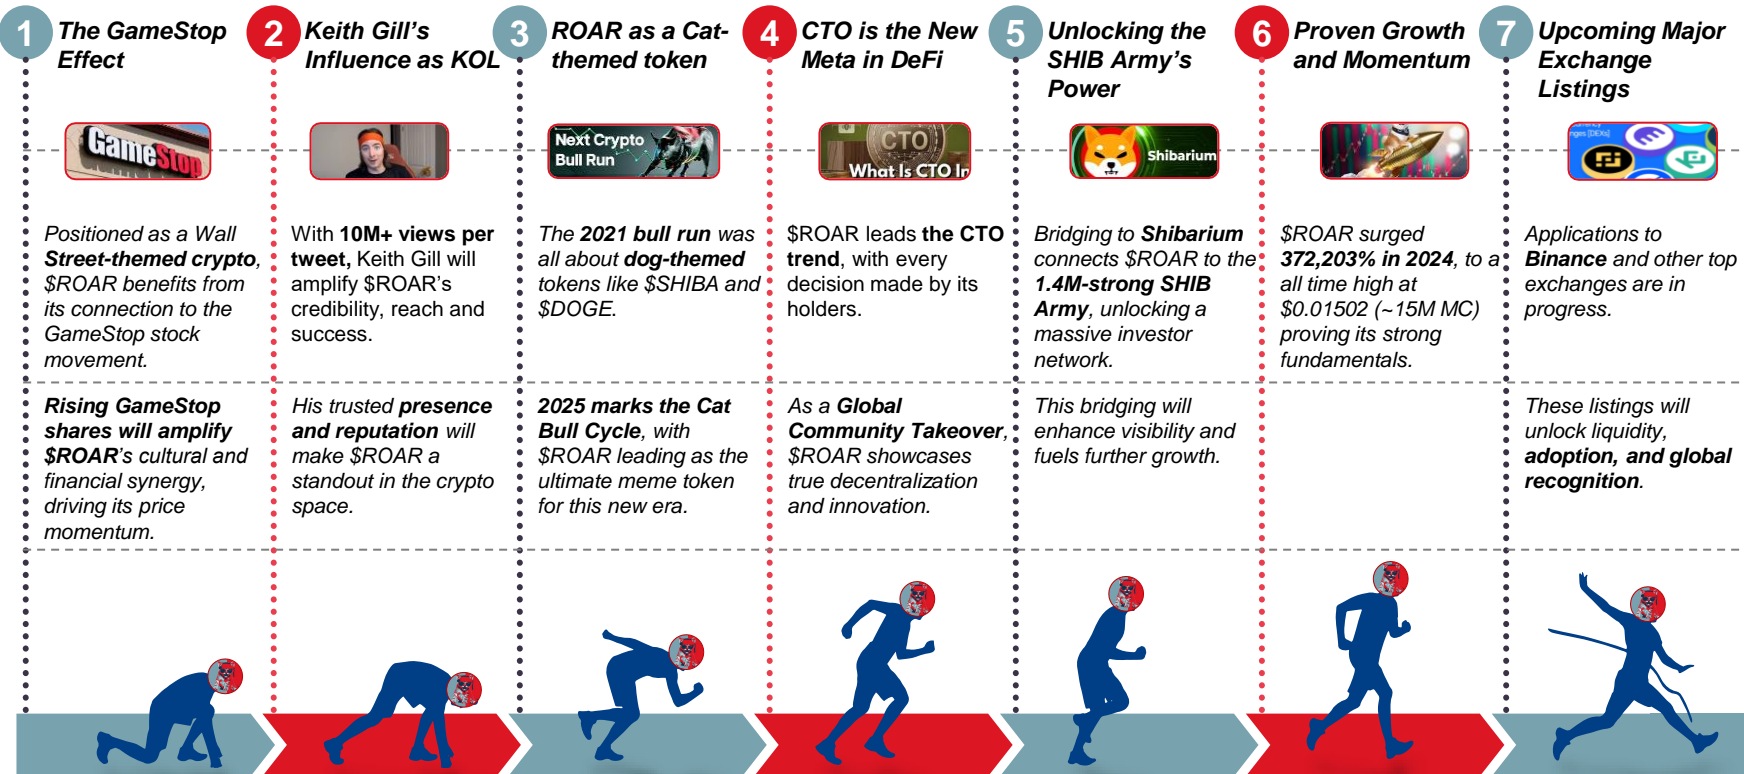

Positioned as the SHIBA Inu of 2025 with the investment of all SHIB OGs, \$ROAR amplifies the meme culture

3. Why \$ROAR Will Lead this Bull Cycle?

The Ultimate Fusion of These 7 Key Reasons Will Drive \$ROAR to the Top

4. The Path to Billions: Roadmap and Future Outlook

Paving the Path to Billions: A Roadmap Powered by the \$ROAR Community

Short-Term Goals (Q1-Q2 2025)

Boost Visibility: Launch targeted marketing campaigns across major platforms.

Shibarium Bridging: \$ROAR will be bridged to Shibarium and launched which will boost the scarcity and the price

Achieve \$100 Million Market Cap: Build on \$ROAR's momentum to reach this critical milestone.

Medium-Term Goals (Q2-Q3 2025)

1 Billion Market Cap: Propel \$ROAR to 1B MC by leveraging community engagement, SHILLING, RAIDING and major exchange listings.

Expand Use Cases: Currently having \$ROAR NFTs with the funds to be used for marketing. ROAR is being used as parent token acting like a L1 on Mint.club with already 6 tokens and the first token was GME which is up 2000% since its launch.

Expand Exchange Presence: Continue to secure listings on Tier-1 exchanges to increase liquidity and adoption..

Long-Term Vision (Q3-Q4 2025+)

\$10 Billion to \$100 Billion Market Cap: Cement \$ROAR as one of the leading meme coins globally, like \$Pepe, \$SHIBA Inu and \$DOGE.

A Global Movement: Establish \$ROAR as the definitive Wall Street-themed crypto and cat-themed uniting investors worldwide.

Ecosystem Growth: Support community-led projects and innovations, ensuring \$ROAR's sustainability and expansion.

The contribution of each community member matters to the execution and success of this roadmap!

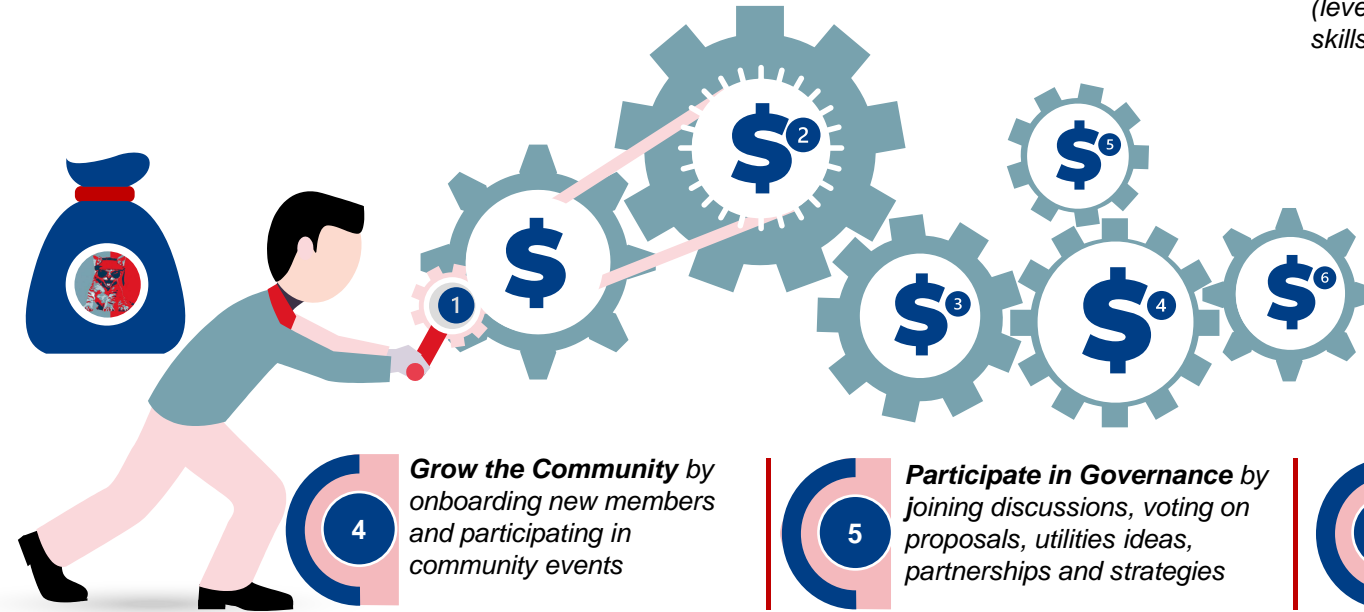

5. Your Role in the Journey: Work for Your Bag

Fueling \$ROAR's Success: Your Role in the Community's Journey to Billions

1 **Engage and Raid on Social Media** using #ROARtoBillions #BillionsMustRoar and/or any other Htags decided by the community

2 **Shill Responsibly** by highlighting \$ROAR's Wall Street, Cat-themed, and CTO narratives. Share ROAR everywhere you can.

3 **Bring Your Skills to the Table:** contribute as a developer (technical innovations), Marketer (create content and manage social media) Artist (create memes), Influencer (leverage your audience) or other skills

4 **Grow the Community** by onboarding new members and participating in community events

5 **Participate in Governance** by joining discussions, voting on proposals, utilities ideas, partnerships and strategies

6 **Invest in the Vision** with your donations to our marketing wallet and inspiring others by sharing success stories.
